

Welcome

River Bar is based on a vacation through Europe. It all started in Baden where we crossed the Rhine and rode into the sunny terraces of the Alsace. From there we went all over France. We rode over the hills of burgundy into the summery Provence. Followed the Loire and banks of Bordeaux. We rode down the booth of Italy and followed the coastal plains of Spain.

We took home what we have discovered and from our notes we created following wine list. We made a selection of wines we serve by the glass from easy lovers, tasty whites and velvety reds.

From there we divided our bottles into two parts. In the River Bar selection you will find the hidden gems we stumbled upon during our trip. Some grapes you might of heard of and some you maybe didn't knew they existed. We can assure you they are all worth a try.

Besides our River Bar selection we also have a list where we provide you our all time classics. The household names, the founders, the big shots and the must-haves are mentioned as well.

We would love to tell you more about our wine selection. Please feel free to ask all of your questions.
